DETAILED ACTION

Response to Amendment

1. The amendment filed 05/31/05 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Terrance Brown on 06/22/05.

The application has been amended as follows:

For claim 1:

In line 2, delete "or the like" so that the claim line reads, in relevant part,

"... blank for receiving a notice with a portion of the ...".

In line 6, add "and" between "front back", so that the claim line reads, in relevant part, "... having front and back ...".

In line 7, add the punctuation of a comma after "sides", so that the claim line reads, in relevant part, "... sides, and upper ...".

In line 11, where the period has been marked out between "bottom" and "left", insert a comma so that the line reads, in relevant part. "... having bottom, left and ...".

For claim 10:

Art Unit: 3611

In line 2, delete "or the like" so that the claim line reads, in relevant part,

" ... blank for receiving a notice with a portion of the ...".

In line 11, insert a comma after the word "bottom", so that the line reads, in relevant part. " ... having bottom, left and ...".

In line 17 at the end of paragraph "e)" delete the period after the phrase "inserted therein" and insert a semicolon so that the line reads, in relevant part. " ... inserted therein; ..."

at the beginning of paragraph "g)", delete "one of said panels' bottom edge", and insert "the bottom edge on one of said panels", so that the line reads, in relevant part, "... g) the bottom edge on one of said panels having a foldable ..."

In claim 24, line 2, delete "16" and insert 10 so that the claim depends from claim 10 rather than canceled claim 16.

Allowable Subject Matter

3. Claims 1, 10 and 24-25 are allowed.

4. The following is an examiner's statement of reasons for allowance: The prior art does not show a pocket chamber calendar as recited in the independent claims and as applicable to the dependent claims which includes the panels, U-shaped slit, pockets, and foldable flap and further including a glue strip stop spaced and positioned as recited.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
